The Local Port of Art in St. Michaels, MD is currently hosting a major exhibit of photographs by Tidewater Camera Club members. The event opened on October 31 and will run through Monday, November 23. The theme is "Spirit of the Eastern Shore," and the images will be professionally judged by David Harp, today's pre-eminent photographer of the Chesapeake Bay and the Eastern Shore.

2015-2016 Advisory  
Members at Large

A significant portion of the TCC membership is participating, with over 100 images on display. This is arguably one of, if not the largest exhibition ever put on by the Tidewater Camera Club, and it affords us an unbeatable opportunity to increase our visibility to the community at large and to potential recruits for club membership. We've had great publicity for the event (see the Star Democrat's Weekend supplement in the Friday, October 30 paper, for example), and we expect a good public response.

**Jim Campbell**

**Randy Satchell**

**Roger Maki**

**Ted Mueller**

A wine and cheese reception and announcement of awards will be held on Saturday, November 7 from 5:00 to 7:00 pm. The reception is open to the public and TCC members are encouraged to come. Bring a friend if you can. You can cast your vote for the "People's Choice" award, enjoy the art, the festivities, and lend support to your fellow TCC members.

Congratulations to John Kendz and his committee of tireless workers for bringing this off!

There is parking in the rear of the building. The entrance for parking is also in the middle of the street between Canton St. and Skinner Alley. You can also turn left at Skinner Alley and then make a left to the lot behind the building. Canton St. is one-way, so you cannot enter there.

## About Tidewater Camera Club Calendar Updates

Calendar updates mailings are the primary means the club uses to keep members in the know. We'll try to discuss everything at meetings and will keep the website up to date - but with busy schedules we know that not everybody comes to every meeting. So these calendar updates with announcements can be a convenient place for members to go to see what is coming up. Ideas for improvement gladly accepted.
