

Tidewater Camera Club Competition Score Sheet

Month/Year: September 2018

Theme: "Open with no time limit"

Section	Title	Comp	Impact	Tech	Total		Placement
a	1 acadia	4	4	4	12	Well executed. Slow shutter worked well on waves. Shame there was not a little more color in the sky.	
a	2 Allstar_Home_Run	5	4	4	13	Excellent sports photograph.	
c	3 anniversary_sunrise	3	3	3	9	Well done. Would have liked to see something in the foreground.	
a	4 autumn_vignette	5	4	4	13	Love the composition. Toning down the light to the right of the leaf may improve the impact.	
a	5 bartolome	3	3	4	10	Sharp and well exposed. A tighter crop may help to pull out the subject that the photographer intended.	
a	6 blue_hour	4	4	4	12	Very well done. Like the moon directly above the shack.	
b	7 Boy_loves_dog	4	4	4	12	Very good portrait. Perhaps it could be modified for greater impact by replacing the wood floor with a solid color rug.	
a	8 branchin_out	4	4	3	11	Nice bird photograph. It may just be a result of viewing on-line, but it seems slightly over sharpened. I see a slight halo near the beak.	
b	9 calla_lilly	4	4	4	12	Very nice flower photograph.	
a	10 caribbean_dreams	3	3	4	10	Good subject and exposure. I feel cropping out the sleeve and arm from the right, showing just the hand, drumstick, drum and music would increase the impact.	
a	11 chicago_steel	5	5	5	15	Great B&W image.	
a	12 colorful_crumbing_cuba	4	4	4	12	Very nice, it sets the scene. If the resolution is there, a tight crop of the people buying produce on the right would make a great 2nd image.	
a	13 contemplating_joint_replacement	5	5	5	15	Very nice job of light painting.	
a	14 cuban_stogie	3	3	4	10	Very nice. However, a tighter crop of the face and stogie may increase the impact.	

a	15	danube_castle	4	4	3	11	Nicely composed subject. It may be due to web viewing, but there seems to be a slight purple cast (roofs, cliff face).	
b	16	date_night	2	3	3	8	Nice idea. However, the 2nd person directly behind the man of the left is very distracting to me.	
a	17	dead_zinnia	5	5	5	15	Love the minimalist look of this.	
b	18	delicate	4	4	4	12	Very good flower photograph.	
a	19	dettifoss_waterfall_iceland	4	3	3	10	Like the people to give scale. A slower shutter speed may have added more impact to the water.	
a	20	every_12_hours	3	3	4	10	Very nice. A tighter crop on the boat may help add impact.	
a	21	finfinger_and_chicken_stock	4	4	4	12	Made me laugh.	
b	22	framed	3	4	4	11	Nice use of framing. I feel you could crop in slightly on the right and left and perhaps increase impact.	
a	23	Goodby Acadia	5	5	5	15	Great image	
b	24	gougane_barra	4	3	4	11	Nice landscape	
a	25	Hanging Out	5	4	5	14	Well executed B&W	
a	26	hoopers_lighthouse_at_sunset	4	4	5	13	Nicely done	
b	27	Hoopers_Reflection	5	5	5	15	Very nice	
b	28	Iceland_Magic	5	5	5	15	Love the layers in this landscape	
b	29	kiomi	5	5	5	15	Great pet portrait	
a	30	log_canoe	4	4	4	12	Very nice. The vintage look adds to the subject. The texture helps an otherwise dull sky.	
a	31	lone_boat	4	5	5	14	Nicely done. Like the lines created by the buoys	
a	32	low_tide	4	4	4	12	Very nice landscape	
a	33	mirror_images	3	3	5	11	Well done. However, I'd like to see slight variations in the composition (assume this was at a zoo and you'd have time)	
b	34	mixed_media	4	4	4	12	Interesting. I'd like to see this as a B&W image.	
a	35	mountain meadow	5	5	5	15	Wow. The Elk really add to this landscape.	
b	36	my_pretty_side	4	4	4	12	Nice (Kingbird?) photograph	
a	37	Old Canal Homes	3	3	4	10	Nice travel shot. Cropping some of the water out may add to the composition.	
a	38	on_my_way	4	4	5	13	Very nice action macro shot	

a	39	orchid	4	4	5	13	Nice flower photograph	
a	40	rays_the_sails	3	4	5	12	Love the sky. I feel a slight crop in from the left would improve the composition.	
a	41	reflections	3	3	4	10	Captures the fall colors nicely. I feel cropping out the grass at the bottom would aid the composition.	
a	42	Resting	4	4	4	12	Very nice Great Egret Portrait	
b	43	roadside_stand	4	4	4	12	Worthy of a farmer's ad for his produce	
a	44	Sailing_Annapolis	5	4	5	14	Nicely done.	
a	45	searching_for_tasty_grass	4	5	5	14	Nicely done. Title is confusing, I believe this is a White Pelican and they eat fish not grass.	
a	46	self_assured	5	5	5	15	Wow. Great portrait.	
a	47	silos	4	4	5	13	Nicely done	
b	48	Smoke_on_a_water	4	4	4	12	Nicely done. The bright sky and its reflection are slightly distracting. Perhaps a vignette would reduce that.	
a	49	storm front	4	4	4	12	Nice. Perhaps a crop in from the right side would add impact by removing the sky without detail.	
b	50	The_Old_Mill	4	4	4	12	Good subject and nice S-curve in the foreground.	
a	51	the_rose	5	5	5	15	Good capture of a delicate subject.	
b	52	the_start	3	3	3	9	This is a difficult subject without a long telephoto or a photo boat. I feel cropping much of the empty water would aid the composition.	
b	53	the_unmentionables	5	5	5	15	Love the expression the photographer captured.	
a	54	tiger_morning	5	5	5	15	Excellent. If this was a wild Tiger and not a zoo, I hope to see this entered into nature photography contests.	
b	55	toronto	5	5	5	15	Wonderful cityscape at the blue hour.	
b	56	unknown_lady	3	3	3	9	A tighter crop on the lady may improve the impact	
b	57	view_to_the_palace	5	4	5	14	The crop here takes this out of the travel snapshot and makes an impact. Well done.	
a	58	waiting_for_a_parade	4	4	4	12	Interesting subject. Perhaps some of the white door could be cropped out.	

a	59	Watching	5	5	4	14	Very nice. It may be due to seeing this online, but the eye seems just a little out of focus.	
b	60	Woodpacker	4	5	5	14	Very nice shot of a Red-headedWoodpecker	
a	61	wyoming	4	4	4	12	Nice. This may also make a good B&W image
