## President's Comments

As I write this, it is just a glorious Spring day! However, it's not clear that, for most of us, going around to photograph is a legitimate exception to Governor Hogan's stay-at-home order today.

So maybe we will all need to find subjects very much closer to home. Or in it.

There is always post-processing, and David Blecman is continuing that SIG virtually. And consider Scott Bruce's suggestions for other on-line offerings below.

Lastly, do not forget to **bridge the social distance virtually** with family and friends. Maybe you're even sharing some of your pictures. Please share some for this month's TCC competition.

And whatever you get up to, stay safe and stay healthy!

***But there is still a lot going on on-line!*** After being on assignment in West Africa and Europe, Scott Bruce comments from quarantine:

“One major, previously paid-subscription, photo education resource has opened up, and many new video streams seem to be popping up each day! And of course there’s nothing like YouTube for a rainy day - few of my favs below.”

- PPA has opened up their members-only education portal and is giving free access to all 1100+ online classes, which are normally part of a \$323/yr membership. <https://www.ppa.com/education-unlocked>
- SCU is hosting a daily “Lunch Bunch” at 2PM w popular guests such as Scott Kelby, Anne Geddes and Joe McNally this week. Past episodes are available on YouTube. <https://www.skipcohenuniversity.com/scu-blog/f64-lunch-bunch-dealing-with-downtime>
- Creative Live is still online, all day, every day for free (at least each day’s livestream is free)! <https://www.creativelive.com/onair/photography/>
- Adorama TV: <https://www.youtube.com/user/adoramaTV>
- Phlearn: <https://www.youtube.com/user/PhlearnLLC>
